The screenshot shows the Sellaband website interface for the artist RehoBoaM. The top navigation bar includes links for Home, Find artist, News, Charts, Forum, Store, and My Profile. The main content area features a play list with tracks like 'Never M.A.D.' and 'TERA'. Below the play list is the 'Artist details' section, which includes tabs for Info, Blog, Shows, and Photos. The 'Info' tab is active, displaying the artist's name 'REHOBOAM' and the languages 'Italiano/English/Русский'. A text block below the artist name reads: 'I REHOBOAM entrano in sellaband per realizzare il loro primo ALBUM Scopri come investire nel nostro progetto cliccando su EXPAND'. Below this text is a link for 'Your RehoBonus' and the website 'www.FINDREHOBOAM.com'. At the bottom of the page, there is an 'Expand' button. On the left side of the page, there is a sidebar with the artist's name 'RehoBoaM' and a logo. Below the logo is a section titled 'recording from your favorite artists' with several buttons: 'Believe \$', 'Wish List +', 'Gift Part', 'Message', 'Comment', and 'Promote'. The 'Believe \$' button is highlighted with a green circle.

Scegli quante parti acquistare ed inserisci la tua e-mail

The screenshot shows the 'Believe' purchase page. The text reads: 'You are about to buy parts in The REHOBOAM . Remember, once the remaining parts have been sold, The REHOBOAM and our music partners will hit the studio to deliver a top quality CD. You will receive your exclusive copy and from that moment on you and BulletProof Messenger are in business together. Please select the amount of parts you want and fill in your e-mail below to continue.' Below the text, there is a form with two fields: 'Number of Parts:' and 'Your e-mail:'. The 'Number of Parts:' field is a dropdown menu with the text 'Parts - amount'. The 'Your e-mail:' field is an input box. A blue 'Next' button is located below the 'Your e-mail:' field. The 'Next' button is highlighted with a green circle. Two callout boxes with arrows point to the form fields. The first callout box points to the 'Parts - amount' dropdown menu and contains the text 'Scegli quante parti vuoi acquistare'. The second callout box points to the 'Your e-mail:' input field and contains the text 'Inserisci la tua e-mail e clicca su NEXT'.
