Then push the big shiny black button.' The form contains several input fields: 'Name', 'E-mail', 'Re-enter e-mail', 'Password', and 'Re-enter password'. A note next to the E-mail field states '(not visible by other users)'. A green-bordered box highlights the registration instructions: 'iniscisci qui i tuoi dati, queste informazioni non sono visualizzabili dagli altri utenti'. Below the input fields, there is a checkbox labeled 'I accept the Terms and Conditions.' and a prominent black 'Submit' button, which is circled in green.

The screenshot shows the SellaBand website's profile customization page. At the top, the SellaBand logo is displayed with the tagline 'YOU ARE THE RECORD CO'. Below the logo is a navigation menu with links for Home, Find artist, News, Charts, Forum, Store, My Profile, and Logout. The main content area features a 'Update profile' section. The section starts with a 'Congratulations!' message: 'We offer all Believers their own customized web address (url). You can use this personalized webaddress to promote your Artists, post it on your own website, or leave it as a link on your MySpace account.' Below this, an example URL is provided: 'For example: http://www.sellaband.com/believer/antonio-rossi'. A note asks the user to 'Please choose your url below.' and includes an 'IMPORTANT' warning: 'Once you've chosen your url, you cannot change it anymore. You are an official Believer on SellaBand.' The form shows the URL 'http://www.sellaband.com/believer/' followed by an empty input field. A blue 'Next' button is circled in green. A green-bordered box on the right contains instructions in Italian: 'qui puoi inserire il nome della tua pagina web, dalla quale potrai gestire e promuovere il tuo investimento.' and a warning in Italian: 'ATTENZIONE! una volta scelto il tuo indirizzo web non potrai più modificarlo'.
